

KEYDREAMER

Majestically meandering, delicately disarming and at times brutally escalating is what describes KeyDreamers' Music best!

Singer/Songwriter, Prog-Rock, Dreampop, Postrock and Blues blend into an impressive and atmospheric **unity** without showing any respect for the Zeitgeist of current popular music!

LIVE SHOWS

Our regular Live-Show lasts
1 h 30 min.
Shorter / expanded gigs (up to 2 h)
are not a problem either.
